CORNERSTONE

Joining God in the Neighbourhood

Name:_____

What is Joining God in the Neighbourhood?

This means we go out into the neighbourhood and find out what God is doing there. Then we do that with Him.

The Word became flesh and blood, and moved into the neighbourhood.
– John 1:14 (MSG)

Who is my neighbour?
Your neighbours are the people that you see at home, school, activities, or church.
Draw or write about your neighbourhood.

Adults: Please use the 40-Day Workbook to guide children through this activity.

How do I join God in the neighbourhood?

1. **See:** Draw a picture of what you see in the neighbourhood.

2. **Pray:** Ask Jesus to show you what He sees.

3. **Discern:** Think about what Jesus is showing you. Draw a picture of what you see God doing.

4. **Respond:** Ask Jesus how He wants you to join Him in His work. Choose a simple activity to do with Jesus in your neighbourhood.
