Kids know ALL ABOUT limits. We put them on our children every day to keep them safe, to teach them self control or to show them healthy ways to live. We might not see the limits that God has given us in quite the same light though. Take some time to ponder how not allowing your child 38 ice cream bars, might not be so different as God not allowing something in your own life! Use the images on this printable to talk about limits later with your little ones!

Design A Park!

Draw your favourite park inside this fence! Or cut out the pictures at the bottom and glue them on!

Count it!

Can you count how many of each ice cream treat there are?

Colour it in!
