It's the PERFECT time of year to explain the Holy Spirit to children! Look outside, can you see the leaves moving? Can you see the way they dance in the wind or slowly fall from the trees or swirl in a circle? Can you see the wind? We can feel the wind in our hair or on our faces, we can see the way the wind does things but we can't see the actual wind! That's the same with the Holy Spirit. We can see the way God does work in someone's life, maybe he changed their heart about something. We can feel a special idea or know what to do about an important decision. Maybe we've been too busy to listen to the leaves move in the wind. If we're too busy sometimes we won't hear what Jesus is trying to tell us either!
