The virgin birth part is a tricky thing for little ones to grasp, especially if you haven't had the talk yet. Try not to get lost in the details. Focus on the AMAZING thing God did. Only God can create something from nothing. If we make banana bread we need all the ingredients! If we make a car, we need all the metal and glass etc. God is the only one that can make something from nothing. And he made a baby inside Mary's tummy where there was nothing there before!

Mary sang a beautiful song to God, can you help these kids make music?
