

# Little My Sermon Notes

My Name: ..... Date: .....

It is      today.

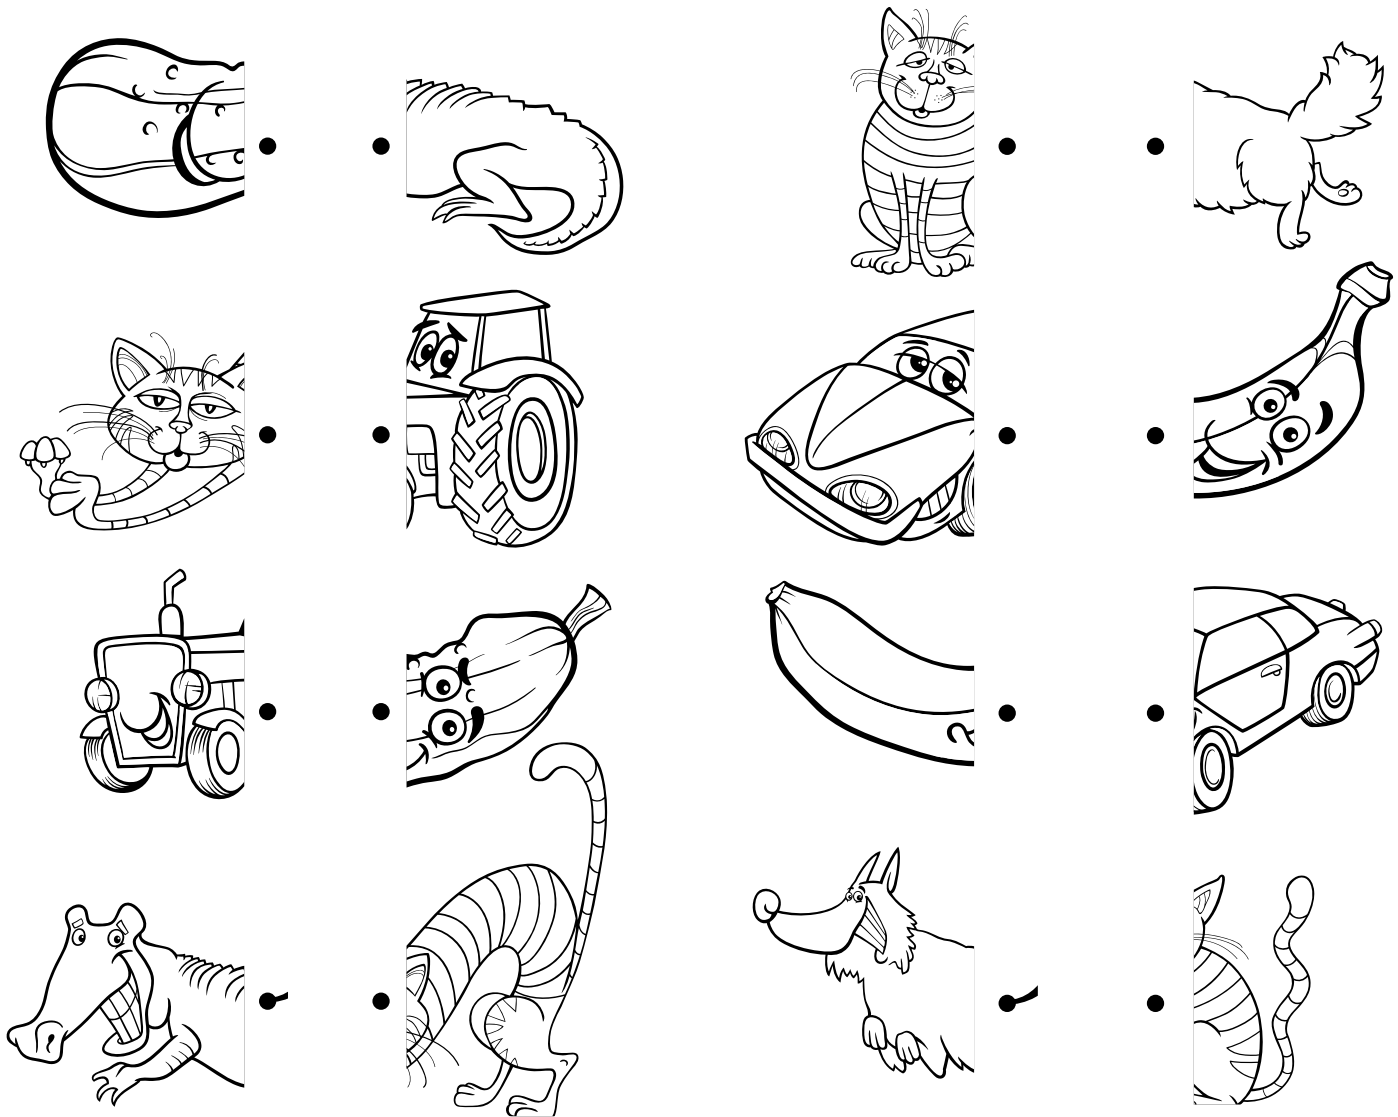

I heard:

## Parent Chat

Your child can probably look back on a time over the past few months where they felt lonely. Or a time they wanted to be alone! In this last message on community, take a minute to talk about ways you might be able to connect your child with a friend they miss! Contact [kerri@cornerstonechurch.ca](mailto:kerri@cornerstonechurch.ca) if you need help connecting with a special friend from church.
