ANNA'S SONG

THE POINTS FROM THIS MESSAGE WERE:

- When we worship Jesus, we get strength for today and hope for tomorrow.
- Keep on keeping on.

LET'S TALK

1. What impacted you the most from this week's message?
2. To worship means to give worth to something. To put it first and make it a priority with our time, money and thoughts. How does this definition compare with how you generally think about worship? Do you think it's possible to attend church and sing songs but still not worship God?
3. Why do you think it might be hard to worship God when things aren't going the way you want?
4. Pastor Kevin says, "it was God who had given her strength to make it through those tough moments." Have you ever gone through a tough moment but experienced God's strength to make it through?
5. Despite the pain of her broken dreams and the adversity she faced, Anna showed up everyday to worship God.

What is one way you can "show up" and worship God during these challenging times?

LET'S PRAY

Spend some time in prayer (for each other, for our community and for the world).
