Last week \_\_\_\_\_ song

Today \_\_\_\_\_ song

## Let's do some math!

Your age x 365

=

The number of months since your birthday x 30

=

Box 1 + Box 2

= \_\_\_\_\_ days you've been alive!

## Did-you-know?

Simeon had been waiting his **WHOLE** life for the Messiah, we don't know how old he was but let's say **REALLY OLD**. If Simeon was 150, how many days had he waited for the Messiah?

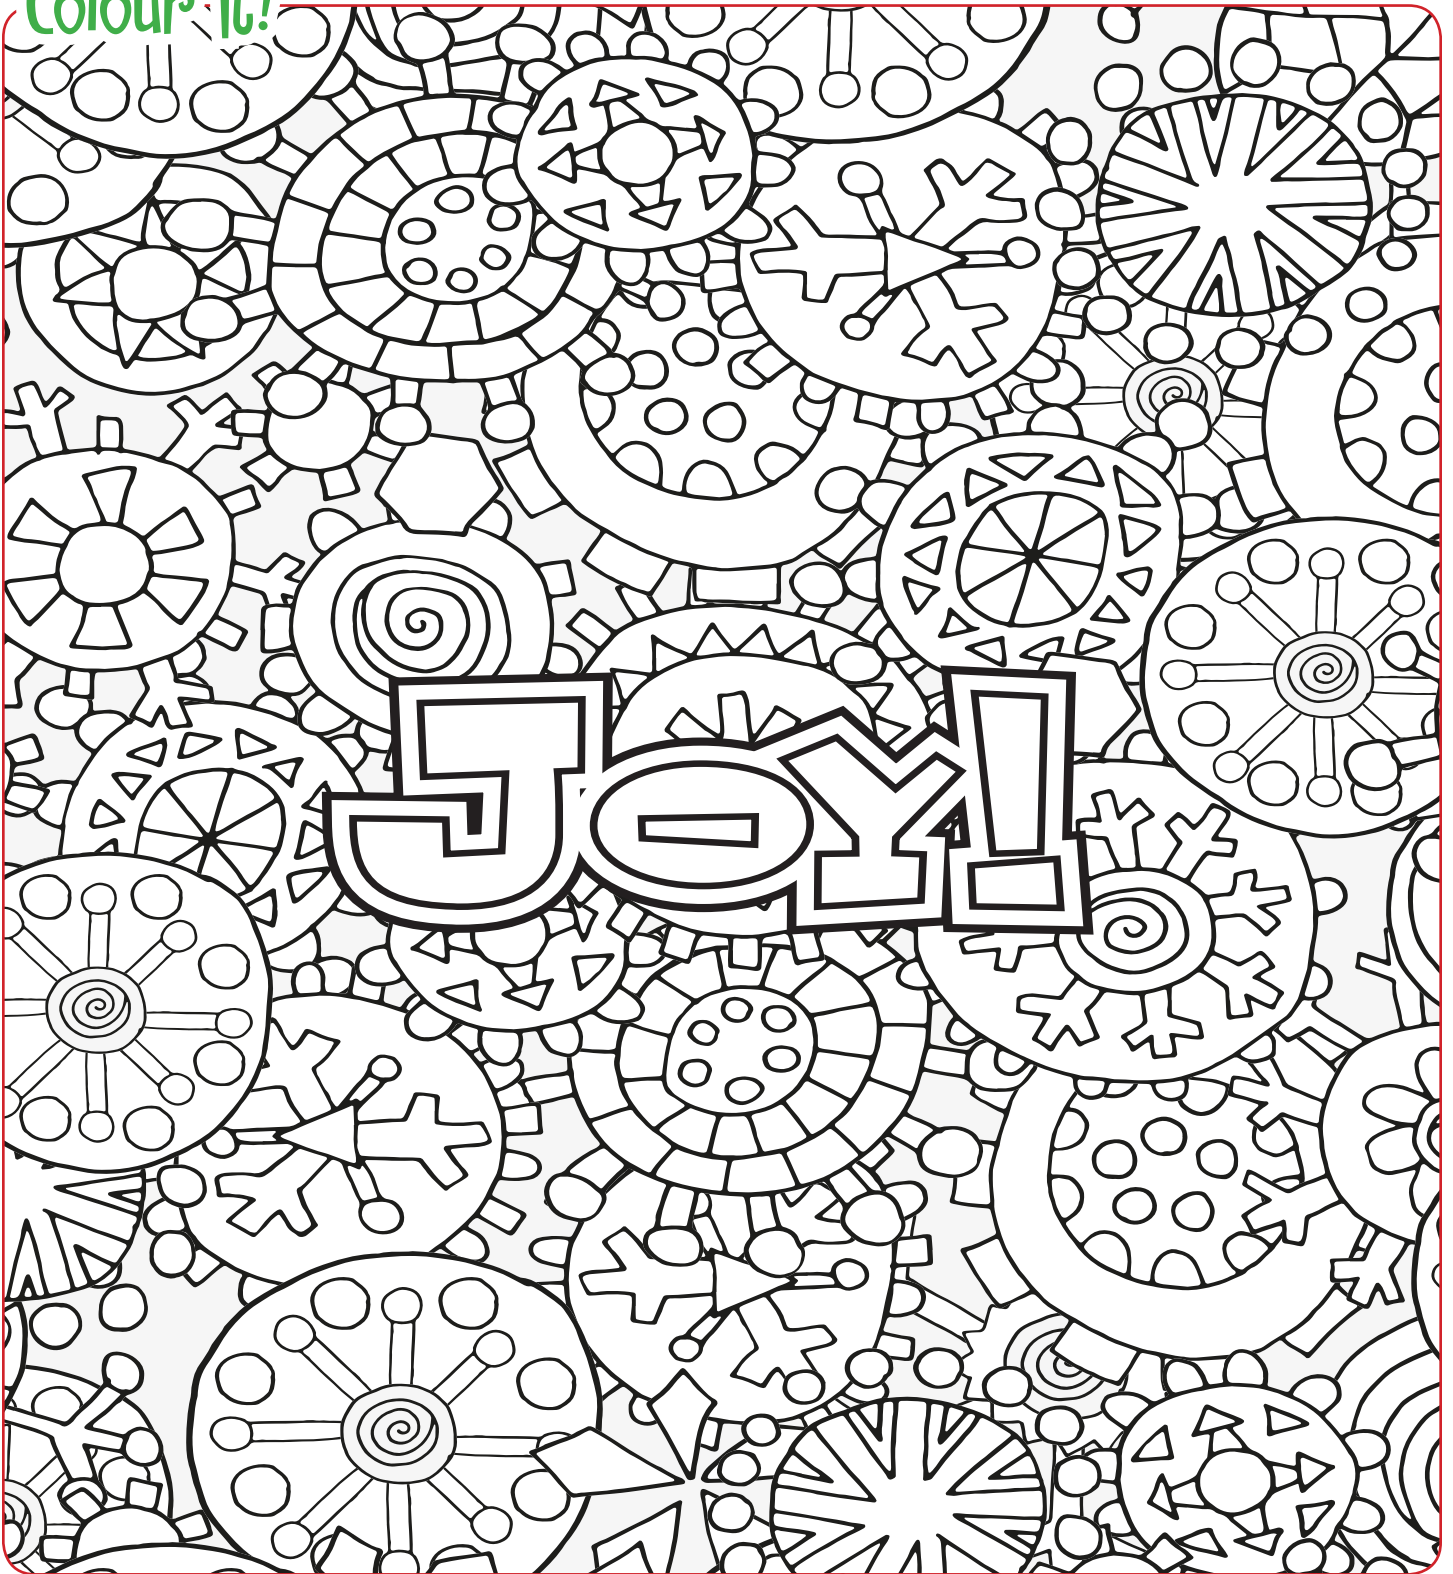

The best timing is \_\_\_\_\_ timing

## Think-about-it!

We do lots of things to stay healthy, some things like vaccines we get one time and that keeps us safe from a certain type of illness like measles. Some things we do every day like exercise or brushing our teeth. Sometimes we think of accepting Jesus as a one time thing! But really following Jesus is an every-day thing. If you have questions about following Jesus, you can visit our website and submit them on the kids page or send Kerri an email at [kerri@cornerstonechurch.ca](mailto:kerri@cornerstonechurch.ca)

Colour It!

## Bonus Word!

**Attentive** - sounds kinda like attention! Attentive means "paying attention to". Were you attentive to the service today?
