

Little My Sermon Notes

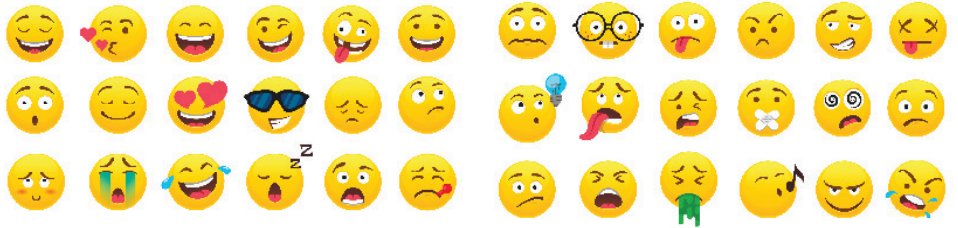

My Name: Date:

It is       today.

I heard:

Circle the faces that remind you of the things you know about Jesus

Parent Chat!

How we see Jesus affects how we relate to Jesus! Have some silly cuddle time this week playing with a face filter app on your device. ***"If I really looked like a goofy monster, would you want me to make your dinner? If I looked like a rock star, would you still want me to tuck you in?"*** Different filters make us see the world differently. The things we understand about Jesus are important! They are like filters! We can understand clearly (like removing the filters) by starting good habits like reading our bibles and praying, also by asking for help from others!

Jesus loves
me so much.

Find the Missing Numbers!

A 5x4 grid of hearts. The numbers in the hearts are as follows:

1	2		4
	6		8
9			12
	14	15	
17		19
