STUDY GUIDE | APRIL 18, 2021 | EASTER SERVICE

WHAT HAPPENS WHEN I DIE?

THE POINTS FROM THIS WEEK'S MESSAGE WERE:

- The soul is separated from the decaying body; one's consciousness and individuality remain intact.
- God is concerned about our spiritual death; the overarching Jesus story is about restoration of life.
- Jesus has conquered death; HIS-story can be our story.

LET'S TALK

1. What impacted you the most from this week's message?
2. What is it about death that you think creates so many questions and anxious feelings for people?
3. Read Luke 23:39-43. What do Jesus' words to the thief teach us about what happens when we die?
4. What aspect of death do you fear the most? Is there anything about dying that you look forward to?
5. Toby Jennings says, "Death serves well as a megaphone to call the living to attention concerning what they do with the life they now possess."
How does this reminder impact the way you live now?
What is one way you can live your life more fully this week?

LET'S PRAY

Spend some time in prayer (for each other, for our community and for the world).
