Embody is an uncommon word for little ones! Try playing or singing the Hokey Pokey this week, make sure you include the whole self in and the whole self out part! When we follow Jesus we need to put our whole self into it! Our thoughts (our heads), our actions (our hands), our decisions (our feet - where we go), our feelings and character (our heart). When we put our whole selves into following Jesus and doing what he says, we become like him!

Draw it! Draw you doing what Jesus says every day
