WOAH-Start-HERE!

Today's message is kinda tricky! There are a lot of big words and thoughts in here! We've joined Matthew and Mark, today we're learning about Luke. You won't find these activities to be word for word the way they often are. We're looking at the BIG picture instead! Luke wanted followers of Jesus to understand that we must give up stuff to follow him. Have you ever gone on a trip? What did you take with you? If we truly want to follow Jesus we can't choose 28 things that are more important to us than he is!

What would you take with you?

In Luke it says we cannot serve two masters. You can love Minecraft but what if you love it more than Jesus?

Interesting!

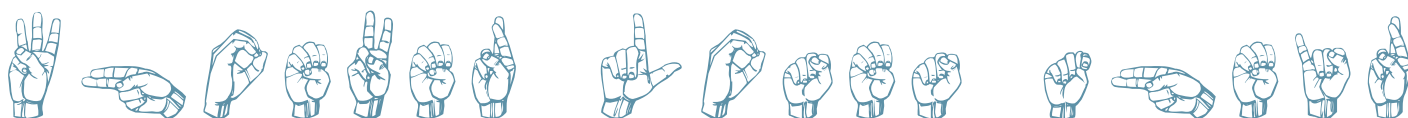

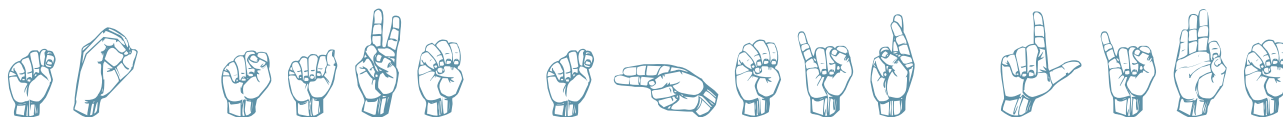

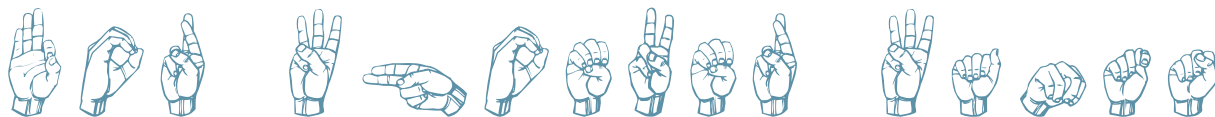

Resting on your laurels means being so happy with what you've already done that you become lazy and stop trying! Laurels is a plant - it's the one they used to make the crowns out of in Ancient Greece. If you were an athlete that just won a victory you'd get one... but if you decided to stop training because you'd already won the laurel crown, how do you think you'd do the next year?
