## Think-about-it!

We're spending the summer talking about identity. That's what makes you you. We hear a lot from other people about what we should think about ourselves. Grown-ups have heard so much from so many sources, that some of it has soaked in and not all of it was good. As a kid you can protect yourself from all the things the world has to say about you by finding out what God says first! Soak up the truth so that there isn't room for anything else!

## Name 5 cool things your body can do!

**Can you think of an example from a movie or real life where someone was judged by their looks?**

**When God looked at the bodies he made for people what did he say?**
