## Parent-chat!

Use a mirror and a spoon to help your child understand an important idea about identity. Is the reflection really them? What about the splashes of toothpaste? What happens if the mirror breaks or bends (like in a spoon)? The way the world sees us can get a little bendy or messy, they don't know everything about us and everyone is bent a little differently! Jesus is the only one that truly sees us the way we are!

## God-made-you-YOU!
