Young kids get stuck with a lot of rules! They completely understand the desire to be FREE! Use "then what" to help them develop their forethought "super powers". If you have unlimited dessert what will happen next? Then what? Then what? Then what? Help them get to the end to see that many rules at your house are for their safety or wellbeing. Jesus came to teach us how to live so that our "then whats" lead to abundant joy, peace and LIFE! That's FREEDOM!
