

WHO GOD SAYS YOU ARE

STUDY GUIDE | SEPTEMBER 5, 2021

YOU ARE YOUR FUTURE

THE POINTS FROM THIS WEEK'S MESSAGE WERE:

- We must hold a correct vision of our future.
- We must have hope in the future.
- We must act now in light of our future.

LET'S TALK

1. What impacted you the most from this week's message?
2. To what extent do you feel the future shapes your identity? Does it affect it more or less than the past?
3. In his message Peter talks about the way that the church has sometimes characterized the gospel as an exit plan or fire insurance. What are some of the ways that holding a narrow view like that could affect the way we live?
4. Read Hebrews 12:2. How can fixing our eyes on Jesus help us to have hope in the future?
5. Peter quotes Klyne Snodgrass who says, "Christianity has a large vision for the future, the only vision worth having, one that brings meaning, purpose, and hope, for it is about seeing God, knowing God, and unending participation with God." How does this compare with the way you think about the future?
6. What is one thing you can do this week to act now in light of your future?

LET'S PRAY: Spend some time in prayer (for each other, for our community and for the world).
