What are you thankful for?

What has been hard this year?

Draw it!

Draw the story of Joseph

Think about it!

Three reasons to be thankful:

1. Our bad things will...
2. Our good things will...
3. The best things are...

Imagine if someone asked you to make cookies but you were missing something important like the sugar or flour or butter. It would be hard without everything you need right? God has already given us everything we need to be who HE created us to be right now! You just need the Holy Spirit working in you to grow it. Ask your parents if you want to know more!

What is something good that happened because of or during this Covid season?

What is something good that can never be taken away from you?

What can we look forward to?
