## Think-about-it!

We're starting a new series on Justice today. Justice might be about more than you think! Circle the icons that remind you about justice, then listen carefully to find out MORE about what the bible says about justice.

The news has a lot of injustice - when things aren't just - aren't the way God designed them to be, draw something that you are concerned about in our world

## Hebrew-words!

Different languages and cultures communicate ideas in unique ways! Sometimes we can't find a direct translation so we need to understand the BIG picture or whole idea behind the word. If I say **YEET** you probably understand it but how would you explain it to your grandma or grandpa? Let's learn some Hebrew words today!

**Shalom**  
(say it sha-L-oh-m)  
what did you learn  
today?

**Mishpat**  
(say it mish-pat)  
what did you learn  
today?

**Tsedaqah**  
(say it sid-da-kah)  
what did you learn  
today?

## Think-of-biblical-justice-like-an-arrow!

The **point** is sharp and has a clear purpose - that's Shalom - we want to bring rightness to the world

The **shaft** is strong and steadfast - that's Mishpat - treating people equally, holding up their rights and caring for others

The **fletching** helps the arrow go in the right direction - that's Tsedaqah - our hearts are lined up with God's heart
