Draw-it!

What was your favourite part of Christmas so far?

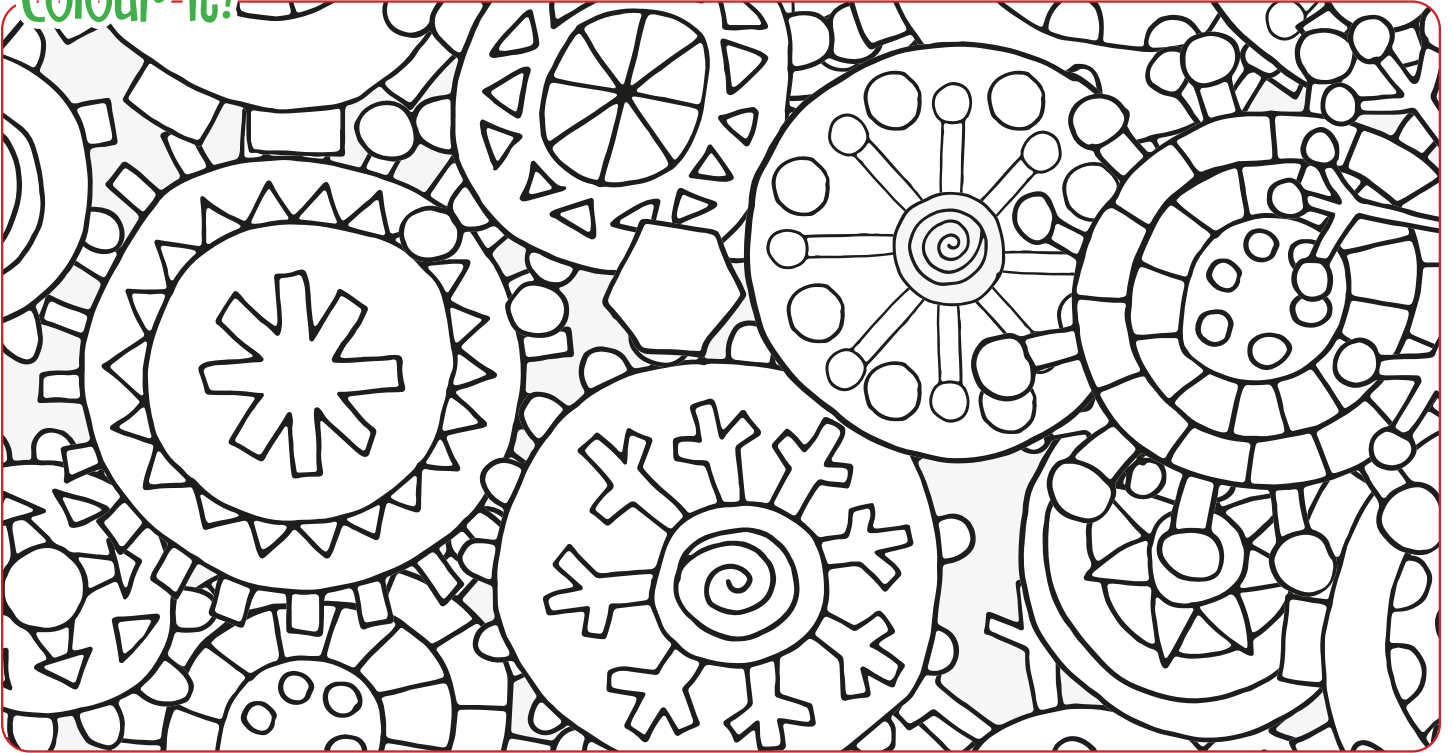

What is one thing Pastor Kevin said that you'll remember?

It's punny!

Pastor Kevin REALLY like puns! A pun is a play on words. Why don't ants get sick? Because they have anty bodies! Write down a pun that you know!

Colour-it!

Make a card*!

Colour in this card carefully and give it to someone to thank them for a gift or a special time together!

*You might need to make sure that you print this one sided so there isn't stuff on the back!
