## Draw - What's Missing?

## Think-about-it!

Is a house a house without all the right parts? Look at each of the house pictures above, what would go wrong if they were missing the important piece? Pretend these houses are YOU. Can you think of ways Jesus is part of your life? Is he the roof that covers and protects you? Or maybe he's the door and you ask him what you should let in each day? This is called a metaphor - when we think about something one way, it helps us understand things a different way!

Colour it!

Decode it!
