

Little My Sermon Notes

Name: Date:

It is      today.

I heard:

How-are-you?

Circle your feelings today!

How-long-does-it-last?

Circle things that go **bad**. Put a square around things that **break**.

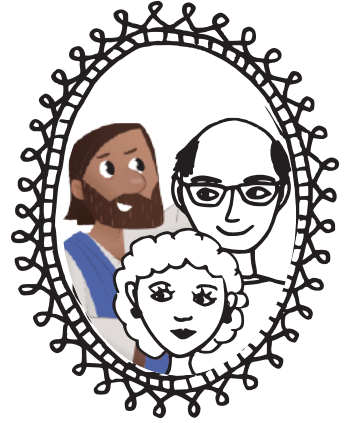

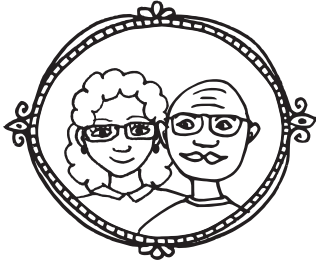

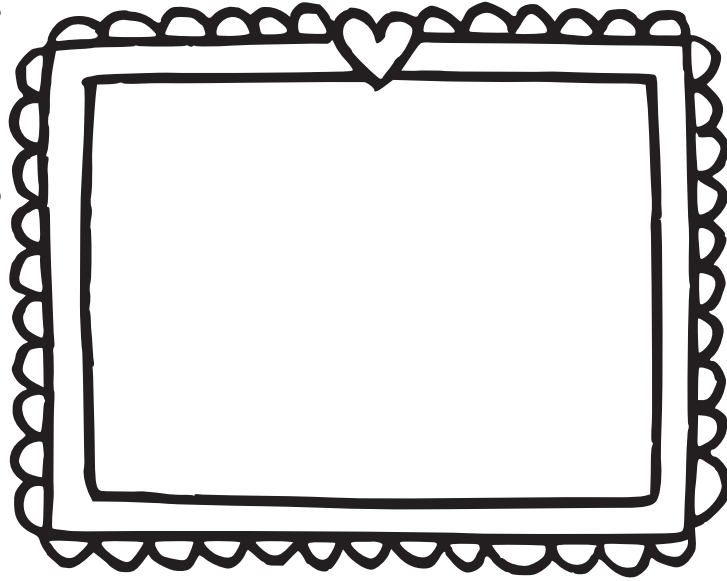

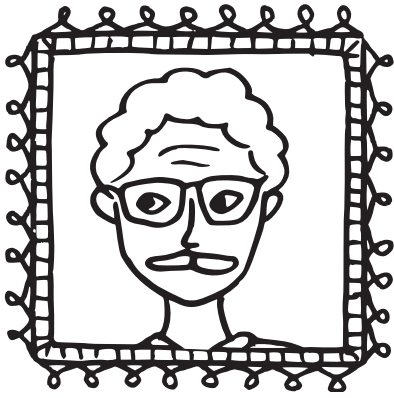

Parent chat!

Ask your child, does anything last forever? Find something old in your house and talk about a memory or a time it had to be fixed. We can count on Jesus' love and hope. It won't break or go moldy or need polishing or repair!

Draw your family!

Don't forget Jesus! We're a part of his family!

Colour it!
