

Little My Sermon Notes

Name: Date:

It is      today.

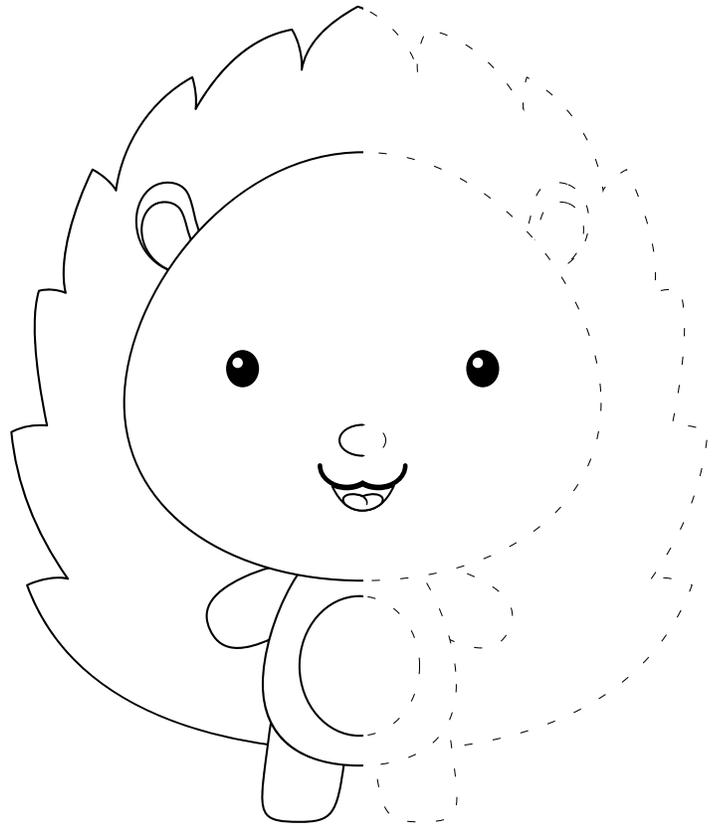

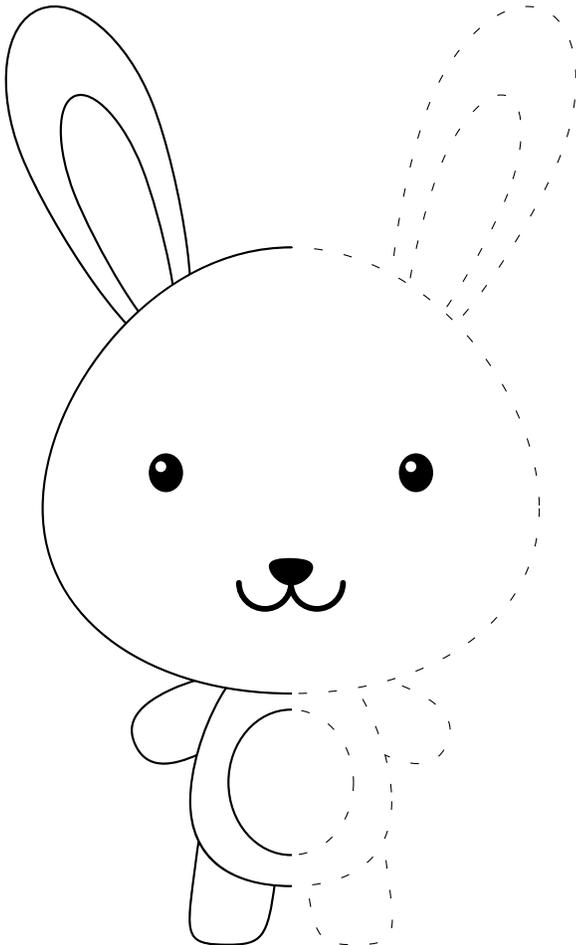

I heard:

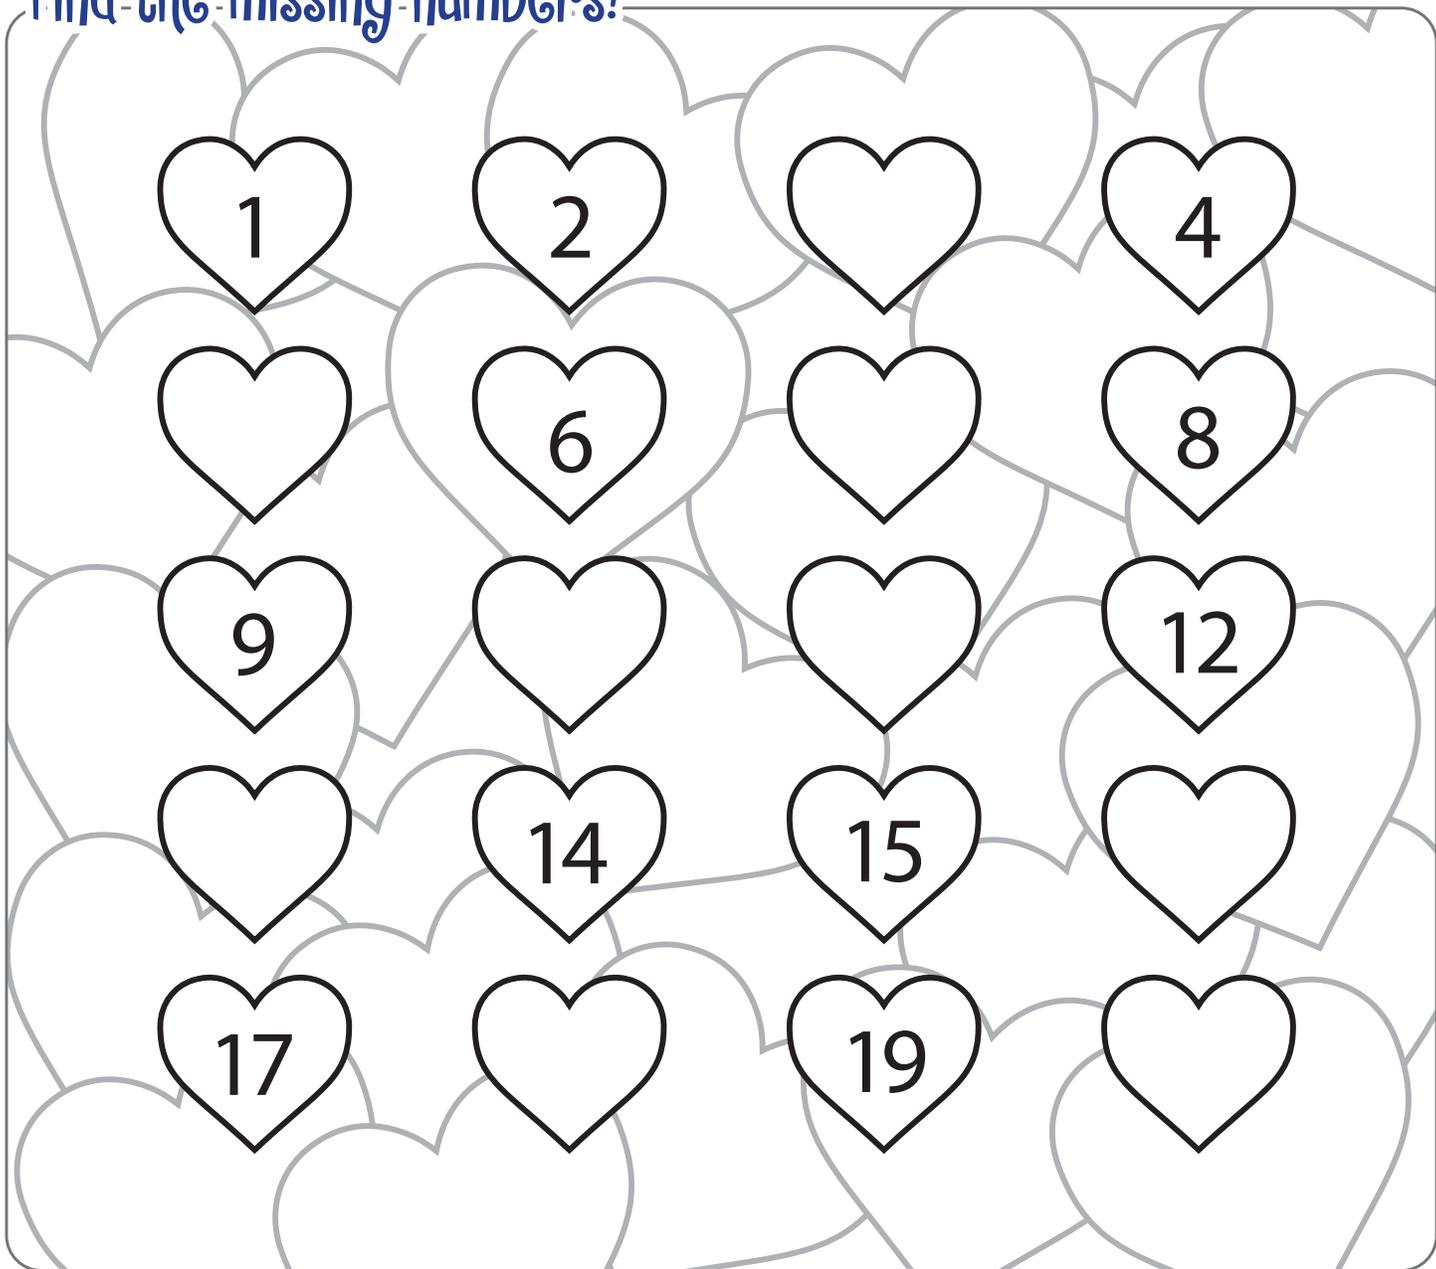

Parent-chat!

Peter encouraged Christians to show the world what Jesus' love looked like lived-out. Little ones have a lot to deal with! They aren't really worried about what others are seeing in them just yet. As parents we can show them what Jesus' love looks like until they want to see it for themselves, we are the reflection of him for them first!

Animal-shapes!
