

STARTING WELL: CORNERSTONE STARTER GROUP STUDY

// CELEBRATING TOGETHER //

Congratulations, you've completed the Starter Group Study! Celebrate with dinner as a group! Enjoy gifts, good food and a time to talk about what's next. (The outline below provides some simple ideas. There is no video to watch this week.)

SHARE YOUR GIFTS

Present your gifts to each other and share why you chose the item.

DISCUSS WHAT'S NEXT

Talk about continuing on as a group. Set a date for your next meeting. (Your Leader has next step resources – www.cornerstonechurch.ca/leadingwell and their coach will be there to support them through this transition.)

PRAY

Close your time by having everyone (who wants to) offer a prayer of thanksgiving for your time together as a group. Also pray for your group's next steps.

We hope you've grown together through these sessions and that you'll continue meeting as a group to make space for Jesus to shape you together in his love!
