Bible Buddies

Thank you for taking home a Bible Buddy!

Here are some basic care instructions. **Your bible buddy needs three things!**

1. Love

Take good care of your bible buddy, treat them with kindness and care!

2. Time

Your new buddy needs you to spend time with them everyday. They can sit next to you or snuggle with you when you are reading! You can read out loud to them so they can hear all about God's love and promises.

3. The Bible

The bible is the BEST book! Your bible buddy wants to know more about God, you can help them by reading your bible to them every day. The Bible was written by a bunch of different people but God's spirit worked through all of them – the bible is God's message to us! It's got adventure, mystery, action, unlikely heroes and so much more!

You don't need to feed your bible buddy like a regular pet. But your bible buddy knows that we need to FILL UP on God's word to grow our hearts and minds.
