Parent-chat!

Today we learned that we can trust God even when we can't see him working. An unseen God is both easy and tricky for little ones! They easily believe in things they can't see but always want to see and touch things in order to understand them. Point out ways you can see God working or moving this week, give them tangible examples from your own life. You can use this colouring page to show how things can be hidden but not hiding, how once you see it you can't unsee it - you'll always know it's there! When we're looking for God, he's clearly always been there!

Find and colour!

Make-it-and-take-it!

Colour these characters from today's story, then take them home and attach them to popsicle sticks, straws or even pencils! Use these puppets to act out what you learned today!
