Series Title: \_\_\_\_\_

Speaker today: \_\_\_\_\_

Describe someone that would be  
**TOTALLY** opposite to you!

Why do you think Jesus chose to go  
through Samaria instead of around?

Act 1 - an intentional \_\_\_\_\_

Act 2 - an \_\_\_\_\_ conversation

Act 3 - the plot \_\_\_\_\_

What would you say if you met  
Jesus?

How did the woman's life change  
after she met Jesus?

Is there anything you wouldn't  
want him to know? Would it be  
awkward?

What have you noticed about Jesus from last week's and this week's story? (or other stories you know?)

## Baptism thoughts!

Baptism is showing everyone the decision that you've already made in your heart! Going under the water represents dying (being lowered and buried) to your old life and coming up is starting your new life in Jesus! It very symbolic. When we see baptism, we remember the things that happened at Easter (Jesus' death and resurrection). Just like when we see a symbol or a logo we are reminded of it's meaning!

## Remember-it!

Write down 1 or 2 things you will remember from the testimonies (stories told) of the people getting baptized today!

## Colour-it!
