

My Sermon Notes

Name:

Date:

Series Title: _____

Speaker today: _____

The First Portrait

Briefly draw or tell the story in your own words

Mary showed _____ - _____ attention

The Second Portrait

Briefly tell the story in your own words

Mary showed whole-hearted _____

The Third Portrait

Briefly tell the story in your own words

Mary was _____ - _____ in unqualified _____

Which portrait of Mary are you most like?

Which portrait of Mary are you not like?

WOAH!

300 denarii was worth about a year's wages. That's hard to imagine! What's the MOST precious thing you own (not your family, YOU)? Would you give it to Jesus? Mary dumped out perfume that was very special and worth a lot on Jesus' feet. Some people had probably never seen such an expensive gift before! Imagine this pouch is full of coins, enough money for your whole family for a year. Then do some math!

Groceries for your family cost 1 coin a week = how many for a year _____

Your family likes to get pizza on Friday nights for 1 coin every month = how many coins for the year _____

You took a super fun trip to a hotel with a water park and stayed for 3 days it cost 1 coin a day = how many coins did you use _____

Your family moved! It cost 1 coin for the truck, 3 coins for painting the new house and 2 coins for a new fridge = moving costs _____

Everyone in your family needs a new bike for the bike trails! Each bike costs 1 coin + 1 coin for a bike rack for your car = _____

Add up all your coins you spent (the numbers you've put in the blanks). Now remember that Mary's perfume was worth 300 coins!!!
