

# Little My Sermon Notes

My Name: ..... Date: .....

It is       today.

I heard:

## Parent-chat!

We know this story has complicated layers for little people. Often times little ones won't catch meaning if there are too many words outside of their vocabulary - as if we're speaking a different language! However much of language is acquired through context, so even your 3 or 4 year old may understand adultery as "bad", if they were listening intently today. Always answer questions as clearly and honestly as you can, keeping it brief and developmentally appropriate. Point to Jesus and the way he cares for people. Loving like Jesus is often opposite to what the world would have us do!

## Find-the-opposites!
