Sometimes smaller children can be curious or even afraid about what is going on during a baptism. Why are we pushing people under water? We should NEVER do that!!! We've put some easy to recognize symbols on this page. You can talk about how a symbol reminds us of something. Reminds us to be careful, reminds us to stop etc. Baptism remind us of the powerful thing that happened at Easter time - Jesus' death and resurrection.

Match-it!

Can you match the symbol and it's meaning:

Stop

Construction

No parking

School Zone
