It's new!

Hey Kids, we're starting a new series - sort of like when you start a new unit in math! It's called **Marks of a Thriving Church**. That means we're learning about actions, habits or behaviour that makes a church work the way God wants it to! Marks of a thriving (really awesome) athlete would be practice, determination, healthy eating, can you think of more? Let's learn what a thriving church looks like - guess where we're going to look?!?! The bible! The FIRST church!

Immersion?

Have you heard of french immersion? Immersion means surrounded by. So in french immersion we're surrounded by the french language! Find out what biblical immersion means today!

What is the apostle' teaching?

What Things Do You Fill Up On??

Circle the items

The early Christians filled up on Jesus' teaching as much as possible! They wanted to know EVERYTHING! Are you filling up on the bible too?

Can you brain storm ways to:

Hear the bible:

Read your bible:

Study your bible:

Memorize your bible

Meditate or think about what the bible says:

Applying or doing what the bible says:

Make it! One way for kids to memorize or think on the bible is colouring!
