Big word-alert!

Individualistic - starts with an I and that's how we can think of it! When all your thoughts start with you - I want, I need, I don't like, I feel etc but Jesus wants us to be a part of a community - our wants, our needs, we feel etc.

How did the early Christians in the bible treat each other?

What can the California red wood trees teach us?

Do you act differently or the same as your friends? How is that sometimes good or sometimes bad?

Think about it! We are made to belong together in community. None of these bicycle parts could take you for ice cream by themselves!
