## Parent chat!

The word "gentle" is familiar to kids! We tell them to be gentle with animals, babies and breakable things! They will learn gentle spirits when we model gentleness to them. How can you show gentleness to your family this week? If this is something you struggle with, check out this book!

## Colour the right fruit!

Colour the fruit of the spirit we talked about today

## Fix it!

When we aren't gentle with a plate it can break! When we aren't gentle with our words we can hurt our family or friends. Can you put this plate back together?

Trace it!

I can be gentle with

my voice and my

words too!

Colour it!
