Etymology-alert!

Etymology is the study of where words came from and their meanings. Today Pastor Kevin told us that the Latin word bene means good! Put tally marks here every time we use the word good or bene today!

Think-about-it!

What does Pastor Kevin want us to remember about benefactor?

What gets in the way of you being thankful?

How can we change our perspective?

Draw-it!

Choose one of these things to draw: Jesus taking your place in the pit, the woman with the perfume or a seed of thankfulness growing in your heart.

Be a factory of gratitude!

Write down what you are thankful for in each box.

Write it down!

Blessed are you Lord for _____

Blessed are you Lord for _____

Blessed are you Lord for _____

Blessed are you Lord for _____

Make it!

When you get home, you can use these cut outs to make a thank you card for someone!
