Jesus is Alive!

Did you know that Jesus really loved kids?

His disciples thought maybe they would bother him or interrupt him while he was teaching but he said “No no let them come to me”. He wanted to hang out with them! We’re so glad you are hanging out with us today!

Today we’re celebrating Jesus’ resurrection! His resurrection means that he conquered death - he beat it. Only God can do that! It also means that he is who he said he is and did what he said he’d do. Sin separated us from God. Jesus paid the price for our sin - death - and has made a way for us to be with God again. AWESOME!

We’re also celebrating baptism. Baptism is when someone decides they’d like to do something special to show everyone the things that have happened in their heart. At our church, we put them all the way under the water and then bring them back up again. In their heart, they have decided to give up their old way of life without Jesus, they have asked him to make them new again.

At church - in public - going under the water is like giving up their old self, coming up out of the water is like becoming a new person (with Jesus).

I hope you enjoy this little book!
