Think about it!

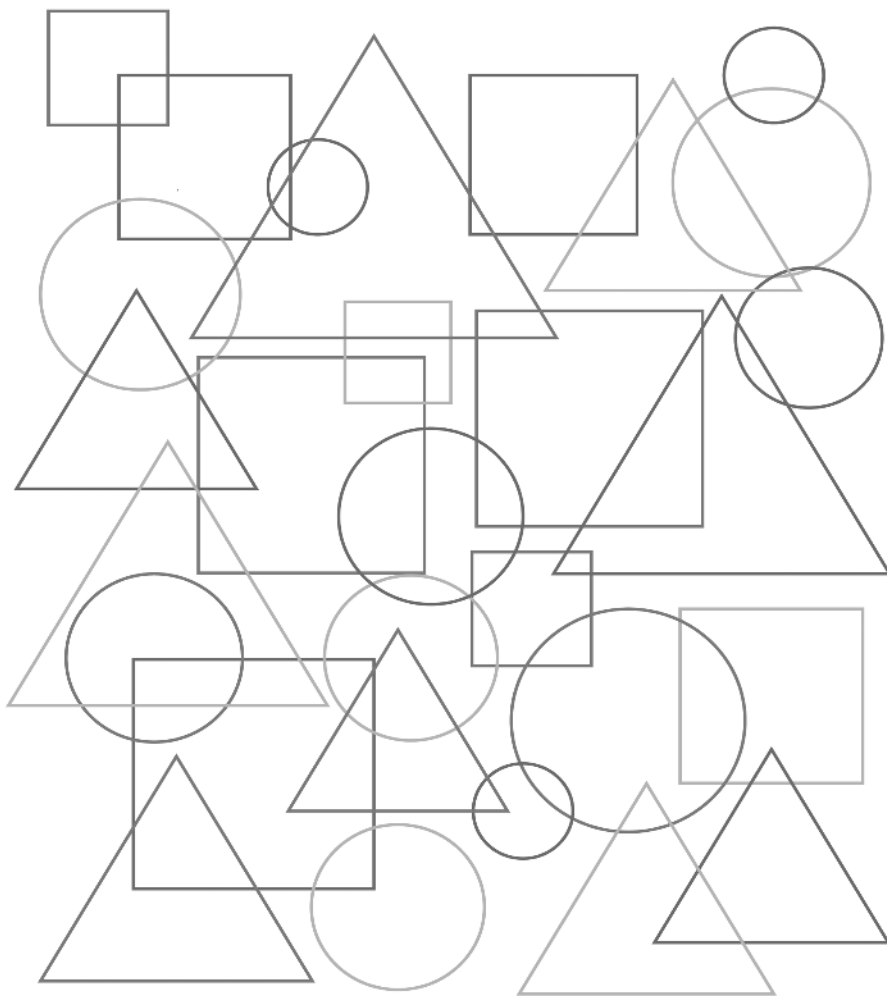

We use the wording "shaping" a few times today and will probably talk about it again in the next few weeks. Have you ever played with play dough? If we want to be disciples, we need to let Jesus shape us into who he wants us to be. He can make our hearts kind and our actions pleasing to God! Just like you can shape something out of a ball of play dough! Make your own play dough at home by using this recipe!

Count it!
