Draw it!

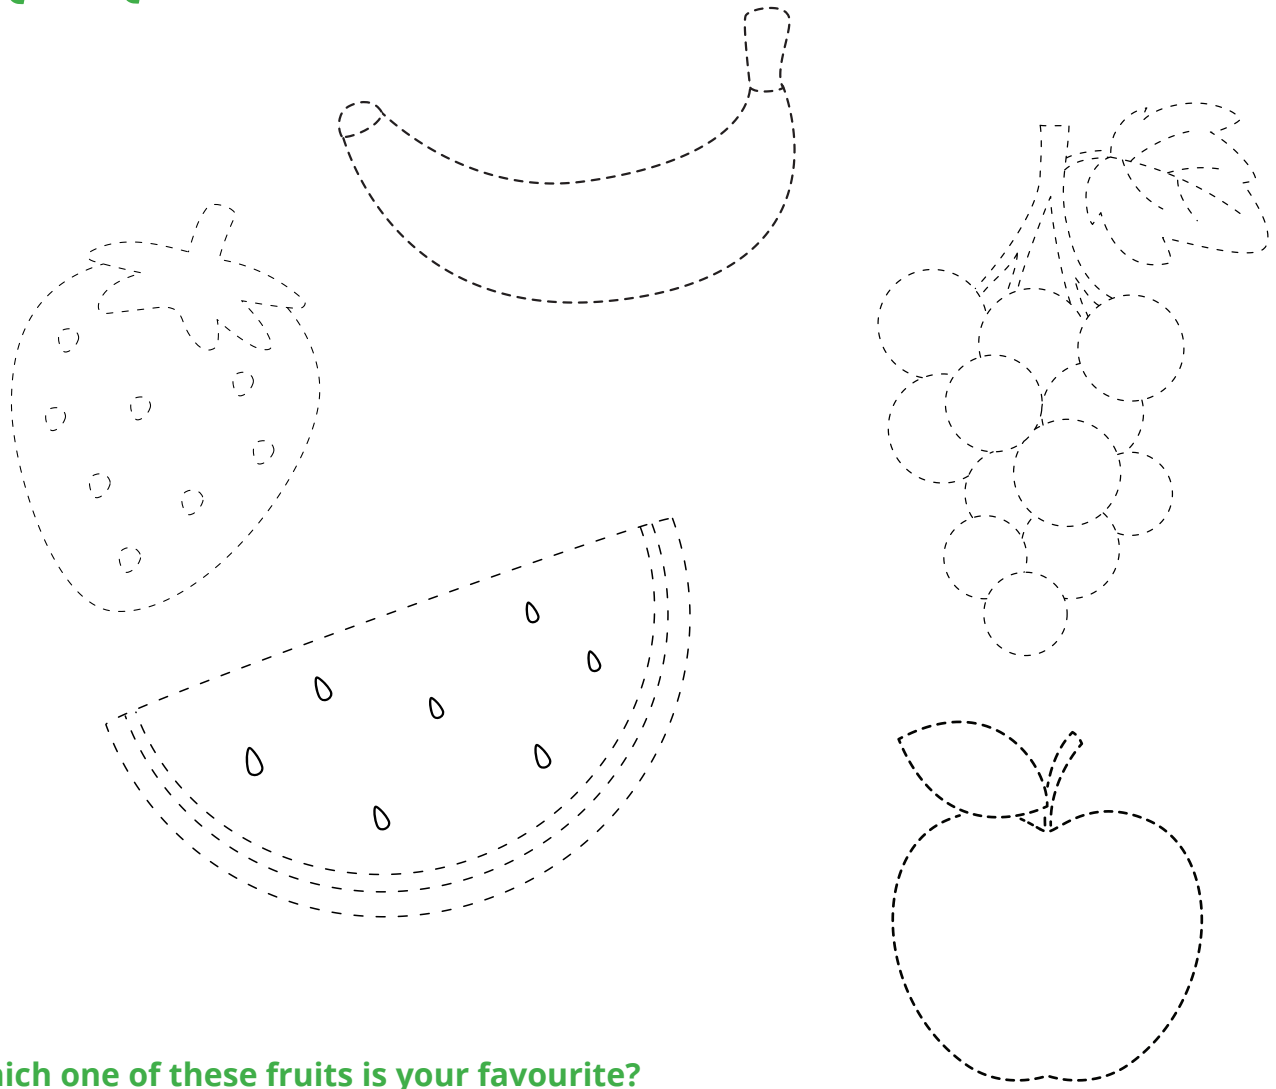

Peace is a fruit of the Holy Spirit. When we grow closer to God, His peace in us grows just like a fruit! Draw yourself spending time with God in one box, and in the other box draw what God's peace looks like in your life when you spend time with Him.

We read before that as we spend time with God, His peace grows in us like a fruit. How do you like to spend time with God?

When do you feel the most peaceful?

How do you share God's peace with the people in your life?

Trace and colour!

Which one of these fruits is your favourite?

Invent it!

If you could invent your own fruit what would it look like? What would you call it? Draw your own fruit and write what you would name it in!
