## Happy New Year!

Happy New Year! Can you believe it, you haven't been to church since last year!

## New Sermon Series

**Sermon Series: The God Story**

Today's Sermon: The Origin

**NEW!**

## Reflection!

Use the scale below to rate your winter break

## Think about it!

What's a mistake you've made before? Maybe it's something you did, thought, or said.

Once you realized you made a mistake, how did that make you feel?

## Remember!

Mistakes do not define you, God does not hold mistakes against you, His love is unfailing. Meaning, nothing you do can keep you from God's love.

## Affirmations!

When we go through hard moments, positivity can be hard to remember. Practicing affirmations can be a great reminder!

Let's practice by finishing the sentence below:  
(ex: I am strong and courageous.)

I am \_\_\_\_\_

## Recreate it!

This is anything BUT a bucket. Give it a fresh start and draw what else it could be below!
