Think about it!

Praying is another way of talking to God. When we talk to someone we often look at them while we speak. When we talk to God we can't look at Him the same way we look at the person next to us. To help us focus and limit distractions, something we can do is bow our heads and close our eyes to pray!

Circle it!

How many times a week do you pray?

Once or Twice Every Other Day Before Meals Every Day

Write it!

Write 3 things you prayed for often this year.

Seeks God's will for us!

So that we may bear good fruit and grow in the knowledge of God!
