God has made you with a specific purpose in mind. It's important for us to pray to know God's plan!

Draw or write it below.

What is something you're passionate about or love to do?

What is a gift, talent, or strength that you have?

I heard:

## Let's Pray!

God hears our prayers whether we say them out loud, think them in our head, or write them down. Do you know someone who needs extra care right now?

Draw or write someone you can pray for below.  
(Hints: someone who's sick, injured, or even upset.)

## Follow it!

The power and love of God follows us wherever we go. Trace the lines below.

There's 10 sunflowers somewhere in the picture below. Can you find all 10?
