

# My Sermon Notes

Name: \_\_\_\_\_

Date: \_\_\_\_\_

It is       today.

I heard:

Trace it!

**CHRIST IS** risen !  
Christ is risen indeed.

Think about it!

No one says your name like Jesus. Can you imagine how sweet it would be to hear Jesus say your name? Close your eyes and think about it. How does it feel? Then Write your name in the box below.

## Baptism!

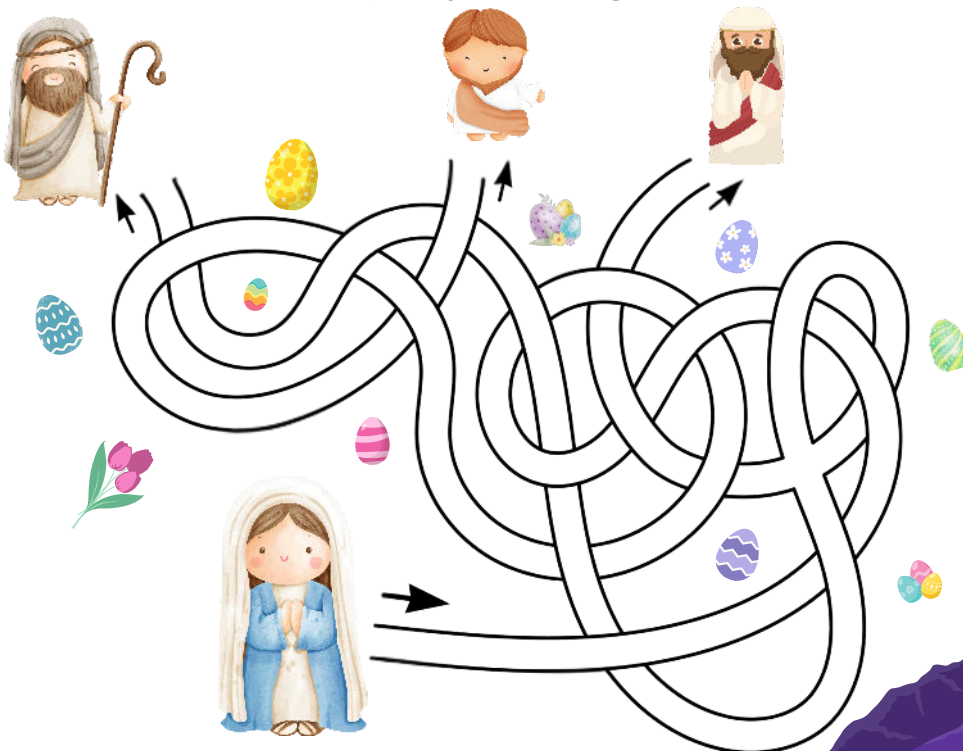

Baptism is a declaration to the people saying: I have heard the good news. Jesus is my Saviour, and I am made new in Christ! My sin is washed away by the grace of God.

Listen and write it. What's one thing someone shared before getting baptized today? How did their relationship with God make newness for them?

## Share the Good News!

Mary saw the tomb was empty and that Jesus had risen. She runs to tell the disciples the news, "I have seen the Lord!". Help Mary share the good news, Christ has risen!

**JESUS**  
HAS Risen
