Sermon Series: Praying with Paul

Today's lesson: Praying to Experience Christ's Love

Solve it!

What we can give and what God can give are two different things. God's goodness multiplies what we have. What we can do is limited, but with God we can do more.

We are to pray out of God's Glorious Riches!

$$\text{Apple} + \text{Apple} = 10$$

$$\text{Pear} + \text{Apple} = 15$$

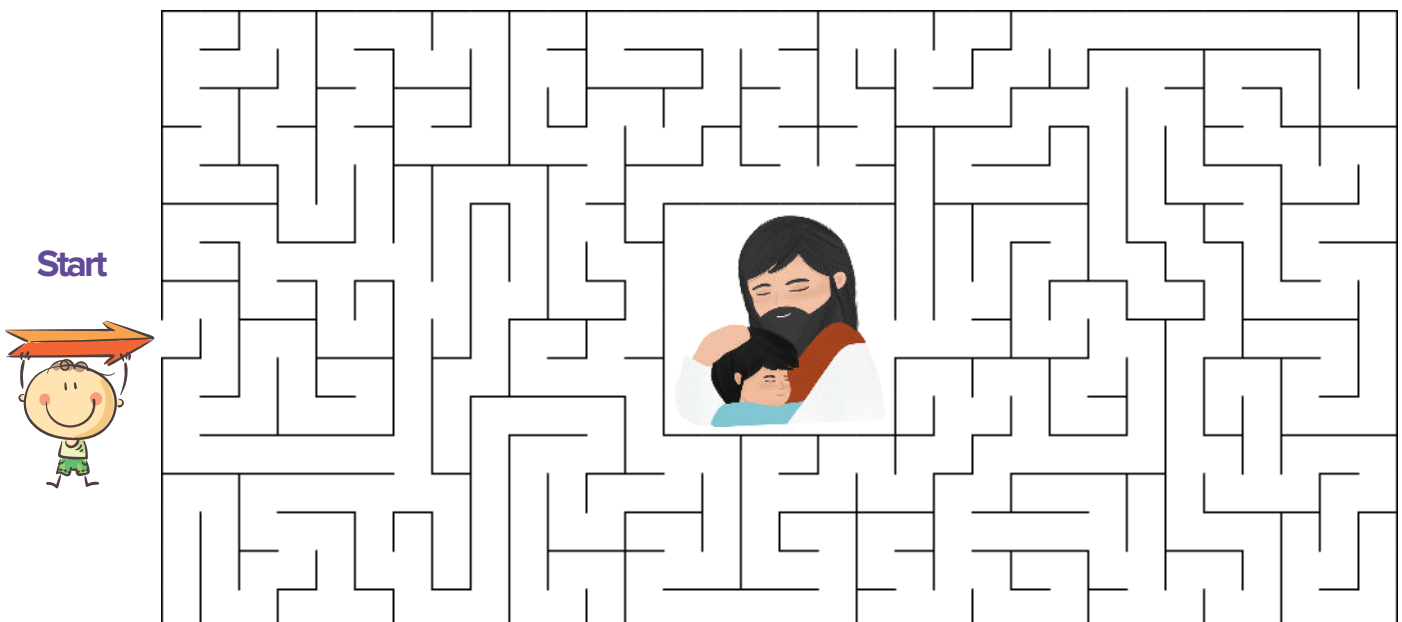

$$\text{Pear} \times \text{Apple} = \boxed{}$$

Let's Pray!

Do you ever hesitate to talk to God? God wants to know you. He wants to hear all your thoughts no matter how small or big they are. What's a small thought you can share with God? Tell Him now by writing it below. (ex. What's something you did this week and how did it make you feel?)

God Wants Us to Come to Him.

To grow we must exercise our faith muscles! Sometimes that means to follow God even if we do not know what lies ahead. Follow the maze below to God's great embrace.

Can you picture it?

Listen for it. Pastor Dave will give instructions in the sermon!
