SMALL GROUP DISCUSSION GUIDE

SUMMARY

Pastor Dave's sermon explores the concept of God's Will, using the metaphor of spin-offs to illustrate how we can sometimes stray from God's original purpose. He distinguishes between God's Sovereign Will, which includes His overarching plans, and His Will of Command, which involves His directives for righteous living. By examining Matthew 6:9-10 and Revelation 4:11, Pastor Dave emphasizes the importance of aligning our prayers and lives with God's holiness, Kingdom, and Will. He challenges us to trust in God's plans, even amidst suffering, and to prioritize His Kingdom over personal desires, recognizing that His Will is ultimately good and perfect.

Helpful Definitions:

- **God's Sovereign Will:** All of God's predetermined plans for the universe and His Sovereign rule over it.
- **God's Will of Command:** His commands to do what is right, which may or may not be obeyed.
- **God's Necessary Will:** What is essential to His nature and being, unchanging and eternal.
- **God's Secret Will:** Aspects of His will that are revealed without disclosing how or what He is accomplishing.
