Sermon: Making the Most of Your Talent

Scripture: Romans 12:3-8

Check-in!

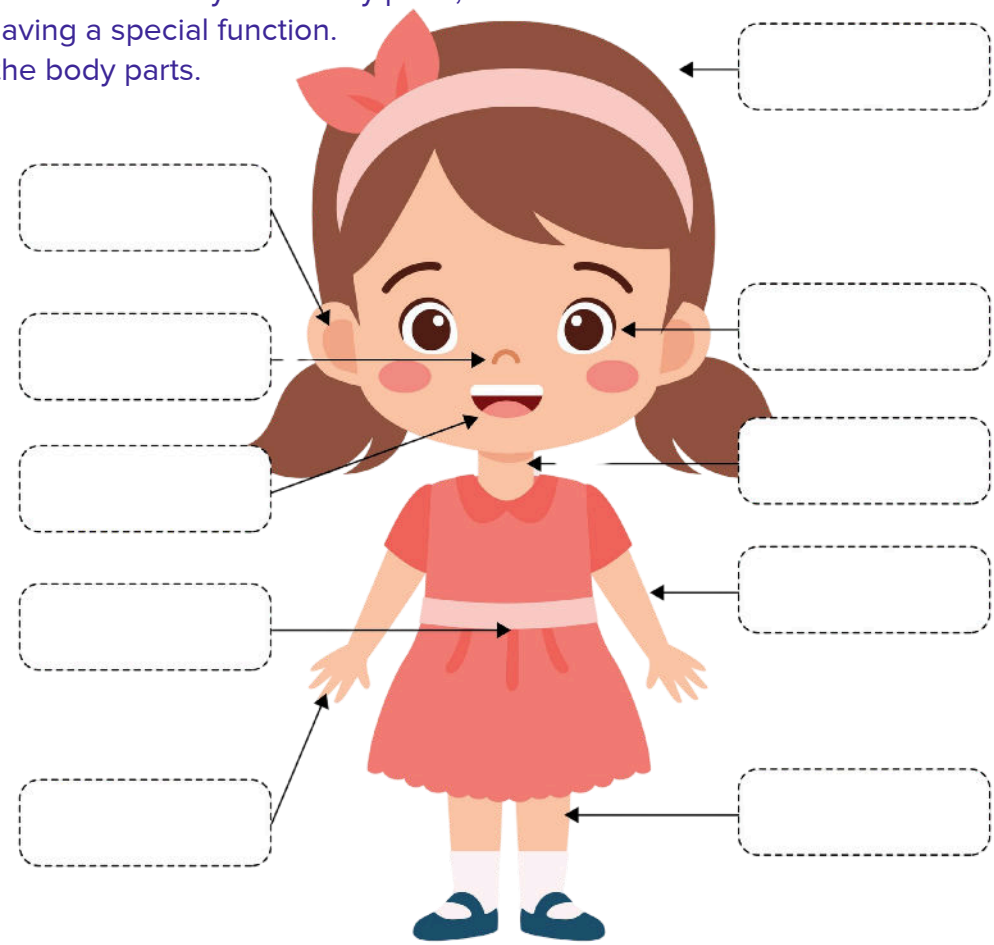

How does my body feel today?

1) Are my lips closed?
2) Are my shoulders relaxed?
3) Am I breathing fast or slow?
4) Are my hands open?
5) Are my feet on the floor?

Label it!

God gave us one body with many parts, each having a special function. Label the body parts.

- Head
- Arms
- Eyes
- Finger
- Mouth
- Legs
- Nose
- Neck
- Ears
- Stomach

Trace it!

Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other.

Romans 12:4-5 (NLT)

Draw It!

Look around the Church (the Body of Christ). Notice how the helpers are using the gifts and talents God has given to them. Draw their actions.

Match It!

Romans 12:6-8 lists many God-given gifts. Some may be new to you! Match the gift to its definition.

Prophesy ★	● to instruct; help someone learn
Serving ★	● to show kindness and forgiveness
Teaching ★	● to give people a message from God
Encouraging ★	● to guide and direct others to God
Giving ★	● to put God and others first in what we do
Leading ★	● to offer love and generosity
Showing mercy ★	● to inspire with courage and hope

Design It!

The Holy Spirit empowers every believer to do God's will. Design a crest to show the superpowers God gave you!

Let's Pray!

Dear God,
Thank you for giving us different talents and abilities. Help us to discover and develop our unique gifts so that we can serve and build each other up in the body of Christ.
In Jesus' name I pray, Amen.
