LOVE IS KIND

The points from last week's message were:

- Biblical kindness is “going out of your way to help others without thought of what’s in it for you.”
- We can grow in biblical kindness by:
 - being willing to give and receive help
 - focusing on God’s ultimate kindness

LET’S TALK

1. What impacted you most from this week’s message?
2. Have you ever been the recipient of a random act of kindness? How did that make you feel?
3. How does David’s treatment of Mephibosheth fit into your idea of kindness?
4. Pastor Steve says that one way to grow in kindness is by being willing to not only give help but also receive help from others.

Do you find it easier to give or to receive help?

How can you be more open to receiving help from others so that you can give them an opportunity to practice kindness?

5. The message states that the early Christians were sometimes mistakenly referred to as “the kind ones.” How likely are we to be thought of in that way by those around us?
6. What is one thing you can do this week to practice kindness to others?

LET’S PRAY

Spend some time in prayer (for each other, for our community and for the world).
