LOVE IS PATIENT

The points from last week's message were:

- The Christian way of life is love for others over against self-interest
- Agape-love is “the highest form of love which is unconditional, sacrificial, self-giving love that is not dependent on the one being loved, but on the commitment of the one acting.”

How did you do with practicing agape-love this week?

LET'S TALK

1. What impacted you most from this week's message?
2. What have you learned about patience during this global pandemic? How have you experienced injustice, inconvenience or irritation?
3. In the message Pastor Steve says that “Impatience always curves in on self.” Do you agree? If so, how have you seen this play out in your own life?
4. How can a proper understanding of God's patience with us encourage us to grow in our patience with others?
5. What is one way you can use the practices of prayer and visualization in the coming week to grow in patience?

LET'S PRAY

Spend some time in prayer (for each other, for our community and for the world).
